I've watched the stars fall silent from your eyes  
All the sights that I have seen  
I can't believe that I believed I wished  
That you could see  
There's a new planet in the solar system  
There is nothing up my sleeve

I'm pushing an elephant up the stairs  
I'm tossing up punchlines that were never there  
Over my shoulder a piano falls  
Crashing to the ground

And all this talk of time  
Talk is fine  
And I don't want to stay around  
Why can't we pantomime, just close our eyes  
And sleep sweet dreams  
Being here with wings on our feet

I'm pushing an elephant up the stairs  
I'm tossing up punchlines that were never there  
Over my shoulder a piano falls  
Crashing to the ground

I'm breaking through  
I'm bending spoons  
I'm keeping flowers in full bloom  
I'm looking for answers from the great beyond

I want the hummingbirds, the dancing bears  
Sweetest dreams of you  
Look into the stars  
Look into the moon

I'm pushing an elephant up the stairs  
I'm tossing up punchlines that were never there  
Over my shoulder a piano falls  
Crashing to the ground

I'm breaking through  
I'm bending spoons

I'm keeping flowers in full bloom  
I'm looking for answers from the great beyond

I'm breaking through  
I'm bending spoons  
I'm keeping flowers in full bloom  
I'm looking for answers from the great

(repeat next verses 3x each)  
I'm breaking through  
I'm bending spoons  
I'm keeping flowers in full bloom  
I'm looking for answers from the great beyond

I'm breaking through  
I'm bending spoons  
I'm keeping flowers in full bloo
