save

save

save

save dance.

We can dance if we want to

we can leave your friends behind

'cause your friends don't dance and if they don't dance

Well

they're no friends of mine.

I say

we can go where we want to

there's a place that they will never find.

And we can act like we come from out of this world.

Leave the real one far behind. - And we can dance.

We can dance if we want to

we can leave your friends behind

I say

we can go where we want to

there's a place that they will never find.

We can go when we want to

the night is young and so am I

And we can dress real neat from our hats to our feet

And surprise them with the victory cry.

I say

we can act if we want to

if we don't nobody will

And you can act real rude or totally removed

and I can act like an imbecile.

I say

and we can dance

we can dance

everything's out of control.

We can dance

we can dance

they're doing it from pole to pole.
We can dance
we can dance
everybody look at your hands.
We can dance
we can dance
everybody's taken the chance.
Save the dance
oh well
save the dance
yes
save the dance.
S - A - F - E - T - Y
save
save
save
save dance.
We can dance if we want to
we've got all your life and mine

And as long as we abuse it we are never going to lose it

And everything will work out right.
I say
we can dance if we want to
we can leave your friends behind
I say
we can dance
we can dance
everything's out of control. . .
Oh well
save the dance
yes
save the dance

Well
save the dance. . . .
Oh
it's a safety dance

Oh
it's a safety dance
.
