I know that she's waiting  
For me to say forever  
I know that I sometimes  
Just don't know how to tell her  
I want to hold and kiss her  
Give her my love  
Make her believe  
Rcause she doesnt'tt know  
She doesnt'tt know  
Youre all I need beside me girl  
Youre all I need to turn my world  
Youre all I want inside my heart  
Youre all I need when were apart  
I know that she's always  
There when I need her loving  
I know that Ive never  
Told her how much I love her  
I see her face before me  
I look in her eyes  
Wondering why  
She doesnt'tt know  
She doesnt'tt know  
Youre all I need beside me girl  
Youre all I need to turn my world  
Youre all I want inside my heart  
Youre all I need when were apart  
Say, say that you'll be there  
Whenever I reach out  
To feel your hand in mine  
Stay, stay within my heart  
Whenever Im alone  
Ill know that you are there  
Youre all I need beside me girl  
Youre all I need to turn my world  
Youre all I want inside my heart  
Youre all I need when were apart  
Youre all I need, etc.  
All that I need  
Is for you to believe  
All that I need  
Is you
