And you say, you wanna live forever  
And you've got all the time to kill  
And you're living in the dark forever  
In your own little private hell

I wanna rule this world  
I wanna walk the night  
I wanna bleed this girl  
Gonna take it all night  
Till the morning light

I wanna lead this world  
I wanna wake the dead  
And all the undead souls  
Who walk the night  
They can suck my dick

Are you sure you're so clean and pure?  
As you lie here in front of me now  
And you're tempting the lord of darkness  
As you see what's forbidden to see

I wanna rule this world  
I wanna walk the night  
I wanna bleed this girl  
Gonna do it all night  
Till the morning light

I wanna rule this world  
I wanna wake the dead  
And all the undead souls  
Who walk the night  
They can suck my dick

Oh yeah, you know it's true, yeah, you, yeah  
When people say, I'm from the underworld  
Every kind of sin, you best believe it, girl  
You come on over here from the other side  
Come back to hell, it's so warm inside

I sleep through the day 'cause I'm into the night  
I wanna sleep through the day 'cause I live through the

night  
I sleep through the day 'cause I'm into the night  
I wanna sleep through the day 'cause I live through the  
night  
Yeah, you

I wanna rule this world, yeah  
I'm gonna walk the night  
I wanna rule this world  
I wanna rule the night  
And all the undead souls

I wanna wake the dead  
I wanna get you girl  
I'm gonna rule this world, babe  
It's gonna be alright, oh yeah
