I see there is no vision  
And I feel powerless  
This is my resolution  
I'm waiting to regress

No I won't let this demon  
Kill me, I hold my stare  
So tell me where is Eden  
This is my only prayer

I can feel it pull me down  
Fallin' from the darkest sky  
Mother Mary make a sound  
Tell me that it's just a lie

I know that what I've been sayin'  
It's everything that I need, I'm prayin'  
I'm on the ledge so wake me  
It's everything that I want so take me

I cast aside my grievance  
For just another day  
There have been disbelievers  
It's always been that way

The blood is on the parchment  
From those who lost their pride  
The voices of the silent  
Who have been crucified

I can feel it pull me down  
Fallin' from the darkest sky  
Mother Mary make a sound  
Tell me that it's just a lie

I know that what I've been sayin'  
It's everything that I need, I'm prayin'  
I'm on the ledge so wake me  
It's everything that I want so take me

I'm feeling powerless  
I'm waiting to regress

You had me crucified  
This is a resolution

I know that what I've been sayin'  
It's everything that I need, I'm prayin'  
I'm on the ledge so wake me  
It's everything that I want so take me
