Goin' uptown, what do you want me to bring you back?  
Yes, I'm goin' uptown, what do you want me to bring  
you back?  
I was knockin' down windows, tearin' down doors  
Tryin' to get even with a girl I love

A brownskin woman make a preacher lay his bible  
down  
Tell me, a brownskin woman'll make a preacher lay his  
bible down  
I'm both knockin' down windows, was tearin' around  
doors  
Tryin' to get even with a girl I love  
Brownskin woman'll make a preacher lay his bible down

An' a jet-black woman'll make a rabbit hug a hound  
An' a jet-black woman'll make a rabbit hug a hound  
Knockin' down windows, was tearin' around doors  
Was tryin' to get even with a girl I love  
Make a rabbit hug a hound
