Wanna be your main squeeze, baby  
Wanna be your only love  
Wanna be your main squeeze, baby  
Wanna be your only love  
When you close your eyes at night  
Wanna be the one you're dreaming of

Wanna be your main squeeze, baby  
Wanna be close to you  
Wanna be your main squeeze, baby  
Just wanna be close to you  
Wanna be a part of your life  
Wanna be involved with you

If there's anything that you want  
If there's anything that you're missing

If there's anything that you need  
Well baby, you know I'm listening

Wanna be your main squeeze, baby  
Wanna be close to you  
Just loving you baby  
That's all I want to do

I wanna be your main squeeze, baby  
Your prize in your cracker jacks  
Wanna be your main squeeze, baby  
Your prize in your cracker jacks  
Give me all of your love  
Don't want you holding back
