Racy days
help me through the hopeless haze
But my oh my
Tragic eyes
I can't even recognize myself behind

So if the answer is no
Can I change your mind?

Out again,
a siren screams at half past ten
And you won't let go
While I ignore
that we both felt like this before
It starts to show

So if I have a chance
Would you let me know?

Why aren't you shaking?
Sent back in time
Graciously taken
Oh, you're too kind

And if the answer is no
Can I change your mind?

We're all the same
And love is blind
The sun is gone
Before it shines

And I said
If the answer is no
Can I change your mind?
If the answer is no
Can I change your mind?
