I believe in you and me
I'm coming to find you
If it takes me all night
Wrong until you make it right
And I won't forget you
At least I'll try
And run, and run tonight
Everything will be alright
Everything will be alright
Everything will be alright
Everything will be alright

I was out shopping for a doll
To say the least, I thought I've seen them all
But then you took me by surprise
I'm dreaming bout those dreamy eyes
I never knew, I never knew
So take your suitcase, cause I don't mind
And baby doll, I meant it every time
You don't need to compromise
I'm dreaming bout those dreamy eyes
I never knew, I never knew
But it's alright...

Everything will be alright
Everything will be alright
Everything will be alright
Everything will be alright
