I pack my case
I check my face
I look a little bit older
I look a little bit colder

One deep breath, one big step
I move a little bit closer
I move a little bit closer
For reasons unknown

I caught my stride, I flew it flight
I know if destiny's kind
I've got the rest on my mind
But my heart, it don't beat
It don't beat the way it used to
And my eyes they dont see you no more
And my lips they dont kiss
They dont kiss the way they used to
And my eyes dont recognize you no more
For reasons unknown
For reasons unknown

There was an open chair
We sat down in the open chair
I said if destiny's kind
I've got the rest on my mind
But my heart, it don't beat
It don't beat the way it used to
And my eyes they dont see you no more
And my lips they dont kiss, they dont kiss
the way they used to
And my eyes dont recognize you at all
For reasons unknown
For reasons unknown

Said my heart, it don't beat
It don't beat the way it used to
And my eyes dont recognize you no more
And my lips they dont kiss, the dont kiss
the way they used to
And my eyes dont recognize you no more

For reasons unknown
For reasons unknown
For reasons unknown
