### "Romeo And Juliet"

A love struck Romeo, sings the streets a serenade  
Laying everybody low, with a love song that he made  
He finds the street light, steps out of the shade  
'n' says something like, "You and me babe, how about it?"

Juliet says, "Hey it's Romeo, you nearly gave me a heart attack"  
He's underneath the window, she's singing, 'Hey la, my boyfriend's back  
You shouldn't come around here, singing up at people like that'  
Anyway, what you gonna do about it?

Juliet, the dice was loaded from the start,  
And I bet, then you exploded in my heart,  
And I forget, I forget, the movie song  
When you gonna realize, it was just that the time was wrong, Juliet?

Come up on different streets, they both were streets of shame,  
Both dirty, both mean, yes, and the dream was just the same,  
And I dreamed your dream for you, and now your dream is real  
How can you look at me as if I was just another one of your deals?

You can fall for chains of silver, you can fall for chains of gold  
You can fall for pretty strangers and the promises they hold  
You promised me everything, you promised me thick and thin, yeah  
Now you just say, "Oh Romeo, yeah, you know I used to have a scene with him"

Juliet, when we made love you used to cry  
I said "I love you like the stars above, I'll love you till I die"

And there's a place for us, you know the movie song  
When you gonna realize, it was just that the time was  
wrong, Juliet?

I can't do the talks, like they talk on the TV  
And I can't do a love song, like the way it's meant to be  
I can't do everything, but I'll do anything for you  
I can't do anything 'cept be in love with you

And all I do is miss you and the way we used to be  
And all I do is keep the beat, 'n the band company  
And all I do is kiss you, through the bars of a rhyme  
Juliet, I'd do the stars with you, anytime

Juliet, when we made love you used to cry  
I said "I love you like the stars above, I'll love you till I  
die"  
And there's a place for us, you know the movie song  
When you gonna realize, it was just that the time was  
wrong, Juliet?

And a love struck Romeo, sings the streets a serenade,  
Laying everybody low, with a love song that he made  
He finds a convenient street light, steps out of the  
shade  
'n' says something like, "You and me babe, how about  
it?"
