Breaking my back just to know your name  
Seventeen tracks and I've had it with this game  
I'm breaking my back just to know your name  
But heaven ain't close in a place like this  
Anything goes but don't blink, you might miss  
Cause heaven ain't close in a place like this  
I said heaven ain't close in a place like this  
Bring it back down, bring it back down tonight  
Never thought I'd let a rumor ruin my moonlight

Somebody told me you had a boyfriend  
Who looked like a girlfriend  
That I had in February of last year  
It's not confidential, and I've got potential

Ready, let's roll onto something new  
Taking its toll and I'm leaving without you  
Cause heaven ain't close in a place like this  
I said heaven ain't close in a place like this  
Bring it back down, bring it back down tonight  
Never thought I'd let a rumor ruin my moonlight

Well somebody told me you had a boyfriend  
Who looked like a girlfriend  
That I had in February of last year  
It's not confidential, and I've got potential  
Rushing, rushing around

Pace yourself for me (for me)  
I said maybe, baby please  
But I just don't know now (maybe, baby)  
When all I wanna do is try

Well somebody told me you had a boyfriend  
Who looked like a girlfriend  
That I had in February of last year  
It's not confidential, and I've got potential  
Rushing, rushing around

Somebody told me you had a boyfriend  
Who looked like a girlfriend

That I had in February of last year  
It's not confidential, and I've got potential  
Rushing, rushing around

Somebody told me you had a boyfriend  
Who looked like a girlfriend  
That I had in February of last year  
It's not confidential, and I've got potential  
Rushing, rushing around
