You sit there in your heartache  
Waiting on some beautiful boy  
To to save your from your old ways  
You play forgiveness  
Watch it now- here he comes

He doesn't look a thing like Jesus  
But he talks like a gentlemen  
Like you imagined when you were young

Can we climb this mountain  
I don't know  
Higher now than ever before  
I know we can make it if we take it slow  
Let's take it easy  
Easy now, watch it go

We're burning down the highway skyline  
On the back of a hurricane that started turning  
When you were young  
When you were young

And sometimes you close your eyes and see the place  
where you  
Used to live  
When you were young

They say the devil's water, it ain't so sweet  
You don't have to drink right now  
But you can dip your feet  
Every once in a little while

You sit there in your heartache  
Waiting on some beautiful boy  
To save you from your old ways  
You play forgiveness  
Watch it now here he comes

He doesn't look a thing like Jesus  
But he talks like a gentlemen  
Like you imagined when you were young

When you were young

I said he doesn't look a thing like Jesus  
He doesn't look a thing like Jesus  
But more than you'll ever know
