I come undone, while too tight
I know that I'm wrong and you were right
I can't look you in the face.
Settle with my normal grace
You can't put me on the shelf
Then take me down again when you feel like myself...

I come undone, while too tight
I know that I'm wrong and you were right
I can't look you in the face.
Settle with my normal grace
You can't put me on the shelf
Then take me down again when you feel like myself...

It was just another cure...
Never bothered, just ignored...
I'm not anything at all...
I'm not a monster, I'm a friend who raves and drools.

You come on round. Well, you might
I know that I'm wrong and you were right
I can't look you in the face.
Settle with my normal grace
You were pristine I was filth
Let's just get it out and get it over with...

It was just another cure...
Never bothered, just ignored...
I'm not anything at all...
I'm not a monster, I'm a friend who raves and drools.

I can't look you in the face.
Settle with my normal grace
You can't put me on the shelf
And then take me down again when you feel like myself...

It was just another cure...
Never bothered, just ignored...
I'm not anything at all...
I'm not a monster, I'm a friend who raves and drools.
