

Kills, The "Dead Road 7"

This dead road leads down,
to that dead road and back
To the road where the oldest road met the first dead
road that cracked
Made the second and curved the third
Forked the forth and said to the fifth,
"if you walk just a couple of miles, you're gonna come
across the six, the six, the six."
It runs into a ditch

Dead road 7 is a bitch
Dead road 7 is a bitch
Floating belly flush
Floating belly up
Go down there if you wish
Go down there if you wish

This dead road leads down,
to that dead road and back
To the road where the oldest road met the first dead
road that cracked
Made the second and curved the third
Forked the forth and said to the fifth,
"if you walk just a couple of miles, you're gonna come
across the six, the six, the six."

Dead road 7 is a bitch
Dead road 7 is a bitch
Floating belly flush
Floating belly up UP UP UP
Go down there if you wish
Go down there if you wish
Go down there if you wish

Dead road 7 is a bitch
Dead road 7 is a bitch
Floating belly flush
Floating belly up UP UP UP
Go down there if you wish
Go down there if you wish
Go down there if you wish
