Stab your back

You wanna warnin'

Stab your back

You wanna warnin'

You got a warnin'

Stab your back

Bet you somethin'

I can get your mouth shut

Bet you something'

I can get your mouth shut

You wanna warnin'

You got a warnin'

Stab your back

Hey, fuck the people

Hey, fuck the people

Last moon a cigarette

Hang myself on a chandelier

Laughin' at another

On a funny thing

Bet you somethin'

I can get your mouth shut

Bet you somethin'

I can get your mouth shut

You wanna warnin'

You got a warnin'

Stab your back

Hey, fuck the people

Hey, fuck the people

Bet you somethin'

I can get your mouth shut

Bet you somethin'

I can get your mouth shut

You wanna warnin'

You got a warnin'

Stab your back

Last moon a cigarette
Hang myself on a chandelier
Laughing at another
On a funny thing
Bet you somethin'
I can get your mouth shut
Bet you somethin'
I can get your mouth shut
You wanna warnin'
You got a warnin'
Stab your back
Hey, fuck the people
Hey, fuck the people
Fuck the people
Fuck the people
