Running into trouble

Running into trouble

You've got heavenly eyes

Thousand highs

Always on a mission

To start loving and start kissing

It's a heavenly ride

You still got wheels, kid

If I go missing

Don't you worry for me

I'm just writing

My side of the story

Just like Jacky

I'm brighting my lips

Soaring my mind

Forever I find

Going down the coast of

M.E.X.I.C.O.C.U

I'm going down the coast of

M.E.X.I.C.O.C.U

Going down the coast of

M.E.X.I.C.O.C.U
