This ain't murdermile, that's just the way I smile
You're like hot oil, got your roots down in a fire
Spitting shit like a tyre
Got your foot down and your mind down, to it's last
little wire

Come on. Come on.

It's a train wreck
You got me on the wrong track honey
It's a train wreck
You got me on the wrong track honey
It's piling up one by one

You look bluer.
Do your do or die
But I ain't pull or push that pin in your side
A body spilt in two doesn't know how to sleep
A body spilt in two doesn't know how to sleep
You're standing on your head while you're standing on
your feet
A body spilt in two doesn't know how to sleep

It's a train wreck
You got me on the wrong track honey
It's a train wreck
You got me on the wrong track honey
It's piling up one by one

This ain't murdermile, that's just the way I smile
You're like hot oil, got your roots down in a fire
Spitting shit like a tyre
Got your foot down and your mind down, to it's last
little wire
Come on. Come on.

It's a train wreck
It's piling up one by one
It's a train wreck
It's piling up one by one
It's a train wreck

You got me on the wrong track honey
It's piling up one by one
