If I'm so evil, why are you satisfied?
If I'm so evil, why are you satisfied?
I had a dream about your ghost
You were breathing down my neck
Idiot style in the shower
Blicking your ashes down the drain

You were telling me how this ain't no rodeo town
Caught the gun but you made me set it down

If I'm so evil, why are you satisfied?
If I'm so evil, why are you satisfied?
When you left you said "I'm gonna keep an eye on
you."
Well, I don't mind if you do, but you can't keep quiet

You were telling me how this ain't no rodeo town
I caught the gun but you made me set it down
You were telling me this ain't no rodeo town
Caught the gun, but you made me set it down
