Shout when you wanna get off the ride
Shout when you wanna get off the ride
Shout when you wanna get off the ride
cos it crossed my mind
It crossed my mind
made my blood thump 7-8-9
made my heart beat double time
Now I'm the only sour cherry on the fruit stand, right?
Am I the only sour cherry on the fruit stand?

Shout when you wanna get off the ride
Shout when you wanna get off the ride
cos it crossed my mind
It crossed my mind
I'm a penny in a diamond mine
We could be movers
We could be shakers
If we could just shake something out of the blue
and get off the ride

Now I'm the only sour cherry on the fruit stand, right?
Am I the only sour cherry on the fruit stand?
If I'm the only sour cherry on your fruit stand right
Am I the only sour cherry on the fruit stand?

Go home, it's over
