You've got to

You've got to

You've got to

You've got to

Tape ain't gonna fix it

Honey, it ain't gonna stick

Tape ain't gonna fix it

Honey, it ain't gonna stick to you

Six kinds of glue

Won't hold you, won't hold you

Oh my oh, oh my

You've got to

You've got to go straight ahead

You've got to

You've got to go straight ahead

You've got to

You've got to go straight ahead

You've got to

You've got to go straight ahead

Time ain't gonna cure you

Honey, time don't give a shit

Time ain't gonna cure you

Honey, time's just gonna hit on you

I said, "Time ain't gonna cure you

Honey, time don't give a shit"

Time ain't gonna cure you

Honey, time's just gonna hit on you

You've got to

You've got to go straight ahead

You've got to

You've got to go straight ahead

You've got to

You've got to go straight ahead

You've got to

You've got to go straight ahead

And time ain't gonna cure you

Honey, time don't give a shit

Time ain't gonna cure you

Honey, time's just gonna hit on you

I said, "Six kinds of glue

Won't hold you, won't hold you"

Oh my oh, oh my you've got to

You've got to, you've got to

You've got to go straight ahead

Go straight ahead

You've got to

You've got to go straight ahead

You've got to

You've got to go straight ahead

You've got to

You've got to go straight ahead

You've got to

You've got to go straight ahead

You've got to

You've got to go straight ahead

You've got to

You've got to go straight ahead

You've got to

You've got to go straight ahead
