It was just the day
You didn't want to live anymore
But you couldn't die
You thought of paradise
Which made you feel so high

But when you awoke
You found a world awful and cruel
Please get away
Get away from that trip
It's not the way to live oh

Julian oh Julian oh Julian oh Julian oh
Say that you're gonna stop before you mess it up
Julian oh Julian oh Julian oh Julian oh
You've got that inner light it used to shine so bright

Julian oh Julian oh Julian oh Julian oh
There is a better way than the one on that you stay
Julian oh Julian oh Julian oh Julian oh
Give yourself a try I see you're gonna die

You said it's your destiny
To take drugs all night
Cause you see no light
You got your life as a gift
And it's forth to fight

But you lost your soul
In the garden of sweetness and death
Please get away
Get away from that trip
It's not the way to live oh

Julian oh Julian oh Julian oh Julian oh Julian oh Julian
Say that you're gonna try
Julian oh Julian oh Julian oh Julian oh Julian
It used to shine it used to shine so bright

Julian oh Julian oh Julian oh Julian oh Julian
Give yourself give yourself a try

Julian oh Julian oh Julian oh Julian oh
Hey Julian I see you're gonna die

Julian oh Julian oh Julian oh Julian oh
There is a better way than the one on that you stay
Julian oh Julian oh Julian oh Julian oh
Give yourself a try I see you're gonna die

Julian oh Julian oh Julian oh Julian oh
Oh oh oh hey Julian
Julian oh Julian oh Julian oh Julian oh
Give yourself give yourself a try
Julian oh Julian oh Julian oh Julian oh
Oh come on Julian
Julian oh Julian oh Julian oh Julian oh
