Runnin' out of money  
Runnin' out of gas  
Runnin' out of reasons to refill my half empty glass  
I can't seem to manage, no  
I can't seem to care  
I can't seem to find an answer wasn't already there

Chorus:  
Same ole now  
Same ole now  
Same ole now  
Same ole...I'm feeling... 20 something  
Oooh, I'm feeling 20 something

Threw away my three piece  
Threw away the tie  
Threw away my resume  
Can't even seem to try  
Gave up on the love thang  
Gave up on the game  
Gave up on the pick up lines  
They all let me down the same

Chorus:

I can't seem to manage  
I can't seem to care  
I can't seem to find an answer wasn't already there

Chorus:

X marks the spot, Generation's all I've got (4x)
