If I brought you a bottle of rain
Would you save it for a sunny day
Would you bring it to your mouth
And lick your lips about
And feel your smile soakin' up them rays

If I brought you a bottle of rain
Would you spill it there upon your chin
Would you shut your eyes in surprise
As your head falls back in bliss
Would you do your best to breathe it in
Breathe it in

As you said rain on me
Just rain on me
Bring it all down
You said rain on me
Please rain on me
Bring it on down
Bring it on

If I brought you a bottle of rain
Would you splash a little on your face
Would turn your arms around
Listening for the sound
Of thunderstorms that leave no trace
Where do they go
Where do they go

As you said rain on me
Just rain on me
Bring it on down
You said rain on me
Just rain on me
Bring it on down
Bring it on

If I brought you a bottle of rain
Would you save it for a rainy day
Overtaken by the pain
You just happen to the rain

Remember just because its here
Don't mean its here to stay
No way
No way

So you said rain on me
Just rain on me
Bring it on down
Said rain on me
Just rain on me
Bring it on down
Said rain on me
Now just rain on me
I said rain on me now
Just rain on me
Just rain on me
Bring it on down
