I walked out in the pouring rain
Stood there at your door
Your smile and those naked legs
Left me wanting more

You don't get no warning
There's nothing you can do
I'm already crazy as I'll ever be
For you
For you
Crazy

Drove through your Virginia
On to my Tennessee
My head filled with your laughter
Smiles you gave for free

There's no need to wonder
Know this much is true
I'm about as crazy as I'll ever be
For you
For you
Crazy

It's no exaggeration
Every bit as true
Much more than my imagination
I realize I've gone crazy
For you

There will be no warning
Nothing you can do
I'm about as crazy as I'll ever be
For you
For you
Crazy for you

Crazy
Walked out in the pouring rain
Stood there at your door
