How dare you say that my behavior's unacceptable  
So condescending, unnecessarily critical  
I have the tendency of getting very physical  
So watch your step cause if I do you'll need a miracle

You drain me dry and make me wonder why I'm even  
here  
The double-vision I was seeing is finally clear  
You want to stay but you know very well I want you gone  
Not fit to fucking tread the ground that I am walking on

When it gets cold outside and you got nobody to love  
You'll understand what I mean when I say  
There's no way we're gonna give up  
And like a little girl cries in the face  
Of a monster that lives in her dreams  
Is there anyone out there cause it's getting harder and  
harder to breathe  
Is there anyone out there cause it's getting harder and  
harder to breathe

What you are doing is screwing things up inside my  
head  
You should know better you never listened to a word I  
said  
Clutching your pillow and writhing in a naked sweat  
Hoping somebody someday will do you like I did

When it gets cold outside and you got nobody to love  
You'll understand what I mean when I say  
There's no way we're gonna give up  
And like a little girl cries in the face  
Of a monster that lives in her dreams  
Is there anyone out there cause it's getting harder and  
harder to breathe  
Is there anyone out there cause it's getting harder and  
harder to breathe

Does it kill?  
Does it burn?  
Is it painful to learn

That it's me that has all the control?

Does it thrill?

Does it sting?

When you feel what I bring

And you wish that you had me to hold?

When it gets cold outside and you got nobody to love

You'll understand what I mean when I say

There's no way we're gonna give up

And like a little girl cries in the face

Of a monster that lives in her dreams

Is there anyone out there cause it's getting harder and  
harder to breathe

Is there anyone out there cause it's getting harder and  
harder to breathe

Is there anyone out there cause it's getting harder and  
harder to breathe
