

## Tony Lucca "Hold You Tonight"

Visit "[Hold You Tonight](#)" on MotoLyrics.com

You've got me in your eyes,  
That's just where I wanna be.  
I melt your thoughts together,  
And show me what you think of me.  
Seems that both you're thinking of,  
What it'd be like making love.  
Offering each others best tonight,  
So give me one more smile,  
Let it shine some light upon my soul.  
Cuz girl it's been a while.  
Since I've had half the chance to feel this whole.  
Whatever peace you offer,  
Is peace I've come to find.  
Girl I've done all I can do,  
Sitting here staring at you.  
Think it's time I've said what's on my mind.

I wanna hold you tonight.  
Girl that's all I want to do.  
Feel you tonight.  
Each and every part of you.  
If I move you just right.  
I'll find a brand new point of view,  
Looking in your eyes.  
As I hold you tonight.

Glasses full of red.  
Laughter full of honesty.  
And I'll remember every word you said,  
As I paint my mind in memories.  
If only for this moment,  
If only for tonight.  
Baby Girl  
I think I've had all I can stand,  
Avoiding what my heart demands.  
I think it's time I gave into this fight.

I gotta hold you tonight.  
Girl that's all I want to do.  
Feel you tonight,  
Each and every part of you.  
If I move you just right,

Iâ€™ll find a brand new point of view.  
Looking in your eyes.  
As I hold you tonight.

Hold you tonight.  
Hold you tonight. (Baby oh)  
Gotta hold you tonight.  
Girl thatâ€™s all I want to do.  
Feel you tonight,  
Kissing every part of you.  
If I move you just right,  
Iâ€™ll find a brand new point of view.  
Looking in your eyes.

Seem that both you're thinking of,  
What itâ€™d be like making love.  
Offering each othersâ€™ best  
Tonight
