"Immaculate Dawn"

Bed bugs and bunnies
bull frogs and dogs
ladies in lawn chairs, flip flops and clogs
bar b qued feast
suns turning red
porcupine ashtray
sleeping bag bed

winding canyon road lead me away from all of the
madness
winding canyon road lead me away

As I say
Let's open the doors and let the neighbors in
play wiffle ball on the lawn
welcome the sun as our parade begins
find ourselves a new dawn
Immaculate Dawn
hey yeah

Surfboards at sunrise
sprinklers at noon
green grass oblivion under the moon
eggs in the pan
the beers in the fridge
blessings abound
it's all part of this privilege

winding canyon road lead me away from all of the
madness
winding canyon road lead me away

as I say
let's open the doors and let the neighbors in
drink champagne on the lawn
welcome the sun as our parade begins
find ourselves a new dawn
Immaculate Dawn
Immaculate Dawn
well now now
Immaculate Dawn

so good to see our sweet immaculate dawn again
rise precious impeccable dawn
ohhh

my room mate played a kazoo solo here
it went over like lead balloon

winding canyon road lead me away from all of the
madness
winding canyon road Im here to stay

cause I said
let's open the doors and let the neighbors in
play naked twister on the lawn
welcome the sun as our parade begins
find ourselves a new dawn
let's open the door
let everybody in
welcome the sun as our parade begins
find ourselves a new dawn
a new dawn
a new dawn
new dawn
new dawn
