You could look me in the eye
And see the invitation Iâ€™ve addressed to you
And gladly I would share with you
The beauty of my vivid point of view

To see a stranger with a smile
Man itâ€™s been awhile but youâ€™re simply
You feel all right by me

You peacefully pass by
You suddenly seem high
Need a hand Iâ€™m you man
Thereâ€™s no need to ask me why

Cause if youâ€™re kind youâ€™re my kind
All the trouble we could leave behind
All the peace that we might find
If youâ€™re kind youâ€™re my kind

Iâ€™m already on your side
Thereâ€™s no honesty in false pride
We could take this time and leave it all behind
Oh brother if you kind

Brother are you kind
Heyâ€¦ hey, yeah
Brother are you kind
Yeah my sister are you kind
Hey tell me are you my kind
Tell me are you kind
