Woke up and I had to write you
Had a dream and you were there
More like we were both there together
Smiles and laughter everywhere
You were basking in my sunshine
I would dance while you would sing
Mountains of magic, spirits of the sea
Like love you fall for everything

Lost Angeleno
Where have you been now
Sweet Angeleno
Gotta make it home
Somehow somehow

I must admit I was bitter
Leaving me without a trace
I hope you find what you went looking for
I pray you maintained your face
Don't get me wrong it's so good to see
Those wings of yours out-stretched on high
Even better just to watch them return
Falling from a California sky

Lost Angeleno where have you been now
Sweet Angeleno
Gotta make it home
Somehow somehow

Stars in your eyes again
Look how they twinkle and shine
Patience awaits you when you trust
It's just a matter of time

Woke up and I had to write you
Had a dream and you were there
More like we were once again together
Smiles and laughter everywhere

Lost Angeleno
Tell me where did you go

Sweet Angeleno
Oh how we all missed you so
Lost Angeleno
Tell me where have you been now
Sweet Angeleno
Gotta find your way home
Somehow somehow
