The jury's still out on the crime of the century  
Crazy vs crazy, looks like an inside job to me  
The time will bring you down, can't wait to cut you in.  
If you can't beat em don't bother joining, you never win.

I need some time...

Maybe We  
Could walk this road together  
Maybe We  
Could overcome it all  
Maybe We  
Could hold on to each other.  
There's nothing else left to do,  
nothing that we can't get through, together.

Don't let it get to you baby, it's only a game.  
Where the object is easy, we're even and everything  
Stays the same

No... need to cry

Maybe We  
Could walk this road together  
Maybe We  
Could overcome it all  
Maybe We  
Could hold on to each other.  
There's nothing else left to do,  
Nothing that we can't get through, together.  
Me and you together...

Just us two, together...

I don't care which road we're taking.  
I don't care where it leads us darling.  
I don't care how it appears to anyone in the world.

Maybe We  
Could walk this road together  
Maybe We

Could overcome it all  
Maybe We  
Could hold on to each other.  
There's nothing else left to do,  
nothing that we can't get through, together.  
Me and you together...

Just us two, together...
