Madame ma belle,
qu'est ce que c'est... me too.
J'ecoute mais je ne comprend pas bien.
You did say I love you ... no

Some tired silly fool
I've become
So unaware
Don't mind me if I seem a little shy
Can't find the words anywhere

Straight into your ocean eyes
I'm diving deep
Diving down
Captivate me, hypnotize me
So, so, so

Ca va bien
Smile on my face again
Your name transcribed upon it
Hair down to my pinky toe
Radiate a fuzzy glow
A baby's face wrapped in a bonnet now

Hopeful as a summer breeze
I'm dreaming
Day dreaming now
Patiently I wait for you to find me
Find me
I'm carefree like a melody
I'm falling free
Falling now
Straight on through these clouds to you
If I may

Oh mais oui ma belle
qu'est ce que c'est
I do
J'ecoute mais
je ne parle pas bien
I just wanna say

I love you
I love you
I love you ...

Ca va bien
Smile on my face again
Baby
