Sarah Jane Sarah Jane  
You're a funny girl  
I think your just the one I know who could cheer me up  
sugar cane in my vein you're a tilt a whirl  
and I don't think that I could ever get enough

you know as well as I do  
where I'm comin from  
looking back we were the alley cats  
of the small town children

when I'm feelin alone  
feel like comin home  
I give my sister on the phone

Sarah Jane Sarah Jane  
You're a funny girl  
I think your just the one I know who could cheer me up  
sugar cane in my vein you're a tilt a whirl  
and I don't think that I could ever get enough

Let's go on down to tenville  
to a house on wheels  
say hello to the old man  
and get blessed by one of momma's meals  
and when the sun goes down  
we'll go run around  
we'll drive all night  
and paint this town

Sarah Jane Sarah Jane  
You're a silly girl  
I think your just the one I know who could cheer me up  
candy cane in my vein you're a tilt a whirl  
and I don't think that I could ever get enough  
no I don't think that I could get enough of your sweet  
sunflower face  
laughter so inviting I wanna share your space  
you keep me laughing  
see what's been happening  
please tell Momma comin home

Sarah Jane Sarah Jane  
You're a funny girl  
I think your just the one I know who could cheer me up  
sugar cane in my vein you're a tilt a whirl  
and I don't think that I could ever get enough  
said I don't think that I could ever get enough  
said I don't think that I'll ever get enough
