Well I barely parked the car again
Stumbled up the stairs once more
Turning down a lonely bed
As my body slowly hits the floor

Made a toast to confidence
And drank away the thought of you
Now I lie here alone as I reach for the phone
To hear your voice is all I wanna do

I'm not the same boy you once knew
I've changed my ways
Just so you know
We'll keep this between me and you
I've seen some better days
Seen some better days

I wash the cigarettes off my fingertips
And slowly shed my clothes
Smile through these crooked lips
Laughing at god only knows
I know damn well the sun will shine
In 'bout a half an hour or 2
I stay up all night 'cuz I know its wrong
Just can't take one more nightmare of you

I'm not the same boy you once knew
I've changed my ways
Just so you know we'll keep this between me and you
I've seen some better days

See the bottom of the bottle now
Still I feel the same
Just tell me I'm wrong
I know I've gone on too long
This drunken fool has no shameâ€¦ girl
I'm not the same boy you once knew
I've changed my ways
Just so you know
We'll keep this between you and me
I've seen some better

You know I've seen some better
Talkin bout better days baby
