I haven't checked to see what time it is  
My mind done left me long ago  
The day is gray and looks as tired as me  
She's barking through my favorite show  
Can't believe it's been 7 hours now  
How'd this thing get started, anyhow?  
Babe when you're through won't you please let me  
know  
I'll try and stay awake till then  
Please don't mind this overdose of apathy  
In fact why even bother with me

Cause I never thought I'd see this  
Heart shaped leathel fate  
Now it's too late

You keep coming  
Keep on running  
Back to me  
I keep crawling back to you  
I'm so tired, so damn tired  
Love is all we never do

Won't tell you that your beautiful when you're angry  
Damn it you know I know you are  
Girl when you stop to think about it  
It's almost comical the way we fuss and fight  
We've taken this too far  
Don't tell me I'm crazy  
Listen up sister, who the hell are you to say

Cause I never thought I'd see this  
Heart shaped leathle fate  
Now it's too late

You keep coming  
Keep on running  
Back to me  
I keep crawling back to you  
I'm so tired, so damn tired  
Love is all we never do

You keep coming  
Keep on running  
I'm so tired, so damn tired  
You keep coming  
Keep on running  
I'm so tired, so damn tired  
You keep coming  
Keep on running  
Back to me  
I keep crawling back to you  
I'm so tired, so damn tired  
Love is all we never do  
(chorus continues and fades away)
