I know it's in you baby
I can see it on your mind
You keep saying things like maybe
Conditions hard to find

Ain't gonna twist your arm this time
Try as I might to make you mine
I've been thinking about you baby

Just say you'll stay with me tonight
Say it's okay
I'll say that it's alright
Maybe this time we'll find
That it's true
You're mine and I'm all yours
If you stay with me tonight

Oohâ€!

They've been talking about us baby
Headlines full of you and I
The way you drove me crazy
And that river I made you cry

Is this what they call the test of time?
Stand in the sand where once we drew the line
Can't seem to remember why

Just say you'll stay with me tonight
Say it's okay
I'll say that it's alright
Maybe this time we'll find
That it's true
You're mine and I'm all yours
If you stay with me tonight

Oohâ€!

You said we'd take some time apart
Forever be in each other's heart
We never said goodbye

Just say you'll stay with me tonight
Say it's okay
I'll say that it's alright
Maybe this time we'll find
That it's true
You're mine and I'm all yours
If you stay with me tonight

Say it's okay
I'll say it's alright
Maybe this time we'll find
That it's true
You're mine and I'm all yours
Won't you stay with me tonight

Stay with me tonight
Stay with me tonight
