Tell me all about it ease your mind.
You'll find...
you're not the only one dancing inside with what we've
begun.

Losing sight of the shore day turns to night.
No light...
and I'm not the only one sailing inside...inside of the
sun.

Honestly, tell me you see
reflections of yourself in your reflection of me.
When there's nowhere to hide.
When you hear these voices screaming inside.
I'd say the battle's been won
for all the armor's finally come undone.
Well, you're not the only...one.

Ohhh yeah...aaa eee mmmm.
No, no, no, no, no, no, no, no

When your words wash away when morning birds
sing...
softly singing.
You're not the only one sorry inside last night came
undone.
No...

When these tears finally fall
these eyes of fear...
so clearly.
I'm not the only one naked inside, baptized in love's
ocean.
No...

All honesty, tell me you see
the beauty you possess in your possession of me.
When it's all you can do
hear the love song calling out to you.
Mmmm
It says the battle's been won for all the armor's finally

all come undone.
You're not the only...one.

You're not the only one who's shaken.
I'm shaken baby.
You're not the only one who's whisperin' worries to sail.
You're not the only one who's done a world of good for
the other one.

Hey...

Hey...

Honestly, tell me you see reflections of yourself in your
reflection of me.
When there's nowhere to hide.
When you hear these voices screaming inside.
I'd say the battle's been won
for all the armor's finally come all undone.
You know there's no need to run
'Cause the path for love has finally begun.

You're not the only...one.

Tell me all about it ease your mind.
