TONIGHT WE LOVE

Freddy Martin

- words by Bobby Worth, music adapted by Ray Austin  
and Freddy Martin

- from Tchaikovsky's Piano Concerto in B-Flat Minor

Tonight we love while the moon

Beams down in dream light tonight

We touch the stars

Love is ours

Night winds that sigh

Embrace the sky

Tonight we love in the glow

That glows so softly I know

This wasn't meant to borrow but tomorrow

Will it be gone

Or will it always live on

Tonight we love
