finally time to smile  
welcome to the bay  
laughing like a child  
dare i ask to stay

so much to tell her  
and nothing to say  
looks like she's taken  
all my breath away

clouds roll out for now  
as sunshine paints the breeze  
she kissed me and somehow  
brought me to my knees

so much to tell her  
and nothing to say  
looks like she's taken  
all my breath away

to my own dismay  
each last breath away  
gone like yesterday  
after smiling sunrise kisses  
she said goodbye  
please not goodbye

looks like she's taken  
all my breath away  
looks like she's taken  
all my breath away  
looks like she's taken  
all my breath away  
looks like she's taken  
all my breath away

so much to tell her  
and nothing to say  
looks like she's taken  
all my breath away

finally time  
to smile
