Yeah, oh yeah

(1st Verse)

I'm looking forward to that day
when all sorrow will passed away
all trouble will cease to be
then we will live together in peace
i know the day and time will come
the sky will open and reveal the Son
every tear will be wiped away
if you believe than let me hear you say

(Chorus)

i will fly away someday i will fly away to be with him
i will fly away someday i will fly away to heaven
i will fly away someday i will fly away to be with him
i will fly away someday i will fly away to heaven
da da da da da da oh oh
fly away yeah
da da da da da da oh oh
fly away
da da da da da da oh oh
fly away way way
da da da da da da oh oh
fly away

(2nd Verse)

the condition of the world is sad
we're living in a time when things are bad
i don't worry about the daily grind
my Jesus gives me peace of mind
there's still a lot of work to do
i can't stop until the day is through
his word will never pass away
well done is all i want to hear him say

(Chorus)

i will fly away someday i will fly away to be with him
i will fly away someday i will fly away to heaven
i will fly away someday i will fly away to be with him
i will fly away someday i will fly away to heaven
da da da da da da oh oh
fly away
da da da da da da oh oh
fly away

da da da da da da oh oh
fly away way way
da da da da da da oh oh
fly away woo
(Guitar Solo)
(Repeat Chorus)
