I gave you all my loving  
Ana now youÂ´re still complaining  
Everytime weÂ´re fighting  
ItÂ´'s always me to blame  
ThatÂ´'s not what I needing  
There is much more there to take  
So please just take it easy  
Give the fighting a break

Baby thatÂ´'s not the right way  
Give me a space to show you how I feel

I donÂ´'t wanna be lonely  
I just wanna be swept away  
I dont wanna be broken  
I just wanna be loved by you

Love can be so easy  
Love can be so right  
But sometimes we go crazy  
Loose the magic with the fight  
Can we try to work it out  
And make things how they used to be  
You and me, me and you  
How it used to be

Baby thatÂ´'s not the right way  
Give me a space to show you how I feel

CHORUS

DonÂ´'t let me go  
DonÂ´'t let me go  
Just let me know  
How deep is your love

CHORUS
