I ain't got time
to think about money
or what it can buy
And I ain't got time
to sit down and wonder
what makes the birdies fly

And I don't have the time
to think about what makes the flowers grow
and I never give it a second thought
to where the rivers flow

Too busy thinking about my baby
and I ain't got time for nothin' else
Too busy thinking about my baby
and I ain't got time for nothin' else

I ain't got time
to discuss the weather
or how long it's gonna last
and I ain't got time
to do no studying
once I get out of class

And I'm just a fellow
I got a one track mind
And when it comes to thinking 'bout
anything but my baby
I just don't have the time

Too busy thinking about my baby
and I ain't got time for nothin' else
Too busy thinking about my baby
and I ain't got time for nothin' else

All the diamonds and pearls in the world
could never match her worth
She's got some kind of wonderful, people tell you
I've got heaven right here on earth

And I'm just a fellow with a one track mind

And when it comes to thinking about anything but my
baby
I just don't have the time

Too busy thinking about my baby
and I ain't got time for nothin' else
Too busy thinking about my baby
and I ain't got time for nothin' else
