Verse 1:

I'm gonna ride,
I'm gonna ride,
You'll never see me no more,
I'm gonna ride (listen up),
I never told you all that before,
Now you want me through them doors,
I'm leavin, girl I'm leavin,
I never felt so much pain before
Now my heart is sore,
Girl I'm breathin, oh I'm breathin,
Now the guy that you dumped me for,
Is done wit you for sure,
Who is next to see, next to see,
Now you wanna stand next to me,
Now your crawling back,

Hook:

Girl, your on your knees,
Beggin me oh please,
Beggin me come back to ya, back to ya,
Girl I'm gonna leave,
This you best believe,
Yes It's like a shock to ya, a shock to ya,

Verse 2(Alaine):

Every story has two sides,
So don't even try to deny,
You lied to me, you had to leave,
Callin me on the telephone,
Askin me, beggin me, "please come home",
You cried to me, each night to me,
You know you said that we should try it,
You said you wanted me by your side,
But when your wit your friends, you deny it,
Can't believe your sayin,

Hook:

Girl, your on your knees,
Beggin me oh please,
Beggin me come back to ya, back to ya,

Girl I'm gonna leave,
This you best believe,
Yes It's like a shock to ya, a shock to ya,

Verse 3:

(Tony)

Now, if you think for a minute

(Alaine)

Stop, I don't wanna hear it

(T)

Girl you best get wit it,

(A)

It's all over and done,

I'm tired of this dreamin,

(T)

That's why I'm gonna ride away,

(A)

You betta ride, stop sayin,

Hook:

Girl, your on your knees,

Beggin me oh please,

Beggin me come back to ya, back to ya,

Girl I'm gonna leave,

This you best believe,

Yes It's like a shock to ya, a shock to ya,

A shock to who?

A shock to ya

A shock to who?

A shock to ya

Girl, your on your knees,

Beggin me oh please,

Beggin me come back to ya, back to ya,

Girl I'm gonna leave,

This you best believe,

Yes It's like a shock to ya, a shock to ya,

I'm gonna ride,

I'm gonna ride,

You'll never see me no more,

I'm gonna ride
