I just want to ask a question:

Where would I be

If I...

Didn't know you?

Who would I be baby

If I didn't know you?

Chorus:

Who would I be if I didn't know you?

Where would I be If I didn't know you?

What would I be if I didn't know you?

Who would I be if I didn't know you?

Verse 1:

You don't recognize it

But I tell you no lie

But you're the reason why

My life has turned right

Everyday I'm thankful

At times I don't show you

The world would be incomplete

If I didn't know you

Chrous

Verse 2:

Everytime you kiss me

You make me remember

That sunny fall day

At the end of September

Boy I can't imagine, no

What would I do

If I didn't

Know you you you you you

Chrous:

Hook:

Well ohhhhhhhhhh I be

Baby where,

Where would I go

What would I do
What would I be
If I didn't know you baby baby baby
If I didn't know you baby
Where would I be if I didn't know you

Ad Lib

Chorus till fade
