Did I tell you how much I miss
Your sweet kiss?
Did I tell you I didnt cry?
Well I lied
I lie lie lie lie lie lied
Over real over
When I nearly hit the face I loved
So tired of packaging the anger
Always pushing you away
Did I tell you you're wonderful?
I miss you yes I do
Did I tell you that I was wrong?
I was wrong
Cos you're wonderful yeah
Did I tell you how much I miss
Your smile?
Did I tell you I was ok?
Well no way
No way way way
Over real over
When I nearly hit the face I loved
So tired of packaging the anger
Always pushing you away
Did I tell you you're wonderful?
I miss you yes I do
Did I tell you that I was wrong?
I was wrong
Cos you're wonderful yeah yeah
Now now now each and everyday
I realise the price I have to pay
You you're wonderful
And now for your information
I'm walking around like an arm decoration
You you're so wonderful
So high I cant get over it
So deep I cant get under it
You
You're wonderful yeah
You're wonderful yeah yeah
You're wonderful yeah yeah
You're wonderful yeah yeah
Wonderful

Did I tell you you're wonderful?
I miss you yes I do
Did I tell you that I was wrong?
I was wrong
For so long long long
