Taking my time  
wanna cruise the runway,  
flying in between all the senery its on.  
its on.

Could it be you, you, you or you  
im looking for a hearts that true.  
come along, its on  
its on

are you gonna be the girl in my dreams,  
when i close my eyes.

out of everyone, the best for me  
the one that i call mine

are you gonna be the one,  
the shining star.  
the center of my world.

im not looking for just any girl,  
could you be the one?

could you be the one?

yeah
