Doko iku no? Watashi no tenshi
Samishii yo anata no himitsu

Shashin no naka no peace ima wa karappo no sleep
Mata deaitai na dokoka de deaeru kana

Hanarenaide watashi no tenshi
Oshiete yo anata no himitsu

Hitoribocchi de cry omoidashite yo smile
Mada soba ni ite mimamotte kureru kana?

Hirogaru kono keshiki wo mite iu
Kirei da ne to
Watashi wa anata no sono yokogao wo wasurenai

Kakurenaide watashi no tenshi
Kakusanaide anata no himitsu

Kirakira kagayaku snow omoide wa itsumo slow
Mata ikitai na mata itsuka ikeru kana

Ookina samishisa ni fureta toki mo koko ni kita ne
Futari de mata fukitobaseta kamo ne koko ni kureba

Mata deaitai na dokoka de deaeru kana
