Something inside me tells me not to wait,  
makes me so happy just to see your face  
and I know we're both scared to call this fate.  
Forgive me for sadness, it's been a long wait.  
It takes me from madness, like living in the wake.  
I know we've both seen how hearts can break, how long  
love takes.

We're beginning to find a way to keep good love when  
two of a kind as one.  
It's a sure fire way to keep good love when two of a  
kind as one now.  
It will surely bring it out.

And you're so amazing, something great and real.  
And I'm for the taking, I won't turn away from here.  
And I'm by your side, we only have time, all this sweet  
time.

We're beginning to find a way to keep good love when  
two of a kind as one.  
It's a sure fire way to keep good love when two of a kind  
as one now.  
It will surely bring it out.

Finding a way back home again.  
Finding a way back home again.  
Finding a way back home again.  
Something inside tells me I'm home.
