We want to bring you pleasure,
We want to please your heart.

[...]

You are good, all the time, all the time. x2

You are good, x11
All the time.

You put a fire in our bellies,
And a river in our mouths! [x3]

And we were born to praise you!

You Put a fire in our bellies,
And a river in our mouths! [x3]

And we are born to praise You!

We are born to praise You! x8

We'll worship You for all eternity. x6

And I'm starting right here on earth.

Because You are good beyond measure,
And my heart longs to give You pleasure,
And You fulfill all my longing,
And all my life I will sing:

God I love You and all You do,
Your joy lives inside and does me good,
Can I have more of You?
Amazing grace, how sweet the sound,
Oh, my God, You never let me down,
Can I have more of You?

Can I have more of You? x2
I want to get closer,
Can I have more of You?

I want to draw closer,
Can I have more of You?
I'm leaning in closer,
Can I have more of You?

Can I have more of You?
Deeper intimacy, God!
Can I have more of You?
The cry in my heart is:
Can I have more of You?

Can I have more of You? x5

Cause there's no place I'd rather be than with You.

There's no place I'd rather be than here with you x5

Can I have more of You, Jesus?
