When they ask me for my autograph  
I catch you in the corner of my eye  
And I know that smile upon your face  
Means we made it girl, you and I

From the hard life on the south side  
To the spotlight here on the stage

Now watch me play  
Hear me sing  
La la la, la la la la  
I play and sing for you  
La la la la  
Hear the applause

Without you, no telling where I'd be  
Singing me a different song  
Breaking rocks for ten or twenty years  
But you wouldn't let me go wrong

Standing by me 'cause you love me  
Now darling, this one's for you

Now watch me play  
Hear me sing  
La la la, la la la la  
I play and sing for you  
La la la la  
Hear the applause

Watch me play  
Hear me sing  
La la la, la la la la  
I play and sing for you  
La la la la  
Hear the applause

Now watch me play  
Hear me sing  
La la la, la la la la  
I play and sing for you

La la la la  
Hear the applause

Now watch me play  
Hear me sing
